Applicant submitted a Supplemental Information Disclosure Statement with an appropriate fee on August 5, 2005 to request that CTBLO 151516 document be made of record.

The Office Action indicated that the subject matter of Claims 67-69 would be allowed if rewritten in independent form. Accordingly, Claim 64 has now been amended to incorporate the allowed subject matter of Claim 67 and the intermediate Claims 65 and 66.

Dependent Claims 68-69 now depend from the allowed subject matter and it is believed that these claims are allowable.

If the Examiner believes that a telephone interview will help further the prosecution of this case, he is respectfully requested to contact the undersigned attorney at the listed telephone number.

I hereby certify that this correspondence is being transmitted via facsimile to the USPTO at 571-273-8300 on November 14, 2005.

Very truly yours,
